

Exhibitor Package [Smart Cities MIAMI Conference](#) | March 30+31*

UNIVERSITY OF MIAMI Lakeside Village Expo Center
1280 Stanford Drive, Coral Gables, FL 33146
Conference 1:00-5:00 | Networking Reception 5:00-7:00

The 2023 Smart Cities MIAMI Conference presented by [Double C Construction](#) is jointly organized by the University of Miami Climate Resilience Academy, School of Architecture, and Institute for Data Science and Computing (IDSC). The Conference will provide each Exhibitor with one six-foot table with full-length black tablecloth, two guest chairs, power source/outlet (excluding extension cord) and network access. *Please Note: **Exhibits are Day 1 only, March 30.**

Exhibitor Benefits

- Recognition as **Exhibitor** in relevant collateral and electronic materials
- Exhibitor recognition on event website smartcities.miami.edu
- Exhibitor feature in the **printed and online program** that includes an image, written description, and full-color logo
- Recognition on **name badge** as Exhibitor
- **Three (3) passes** to Smart Cities MIAMI 2023 (\$150 value)
- Complimentary **event parking**

Exhibitor Responsibilities

- The Exhibitor is responsible for any printed materials, visual displays, and/or hardware necessary for a successful presentation.
- The Exhibitor will provide a high-resolution image (300 dpi) and written description (less than 100 words) of the exhibit for inclusion in the printed Conference program by Friday, March 3, 2023.
- The Exhibitor is responsible for the set up and take down of Exhibitor Space. Set-up begins at 9:00 AM and must be completed by 11:30 AM. Take down begins at 7:00 PM.

The Conference does not assume any liability for lost, stolen, or damaged equipment.
